

Northeast OH 2 WK 10
week ending Jan. 8, 2009
Friends in Northeast Ohio.

OHEJ allies like you made it clear in the EJ forums we held in 2007 that public notice in places people actually see/read is important. OHEJ allies have taken these citizen recommendations to OEPA, and are working for reform in this area. Stay tuned!

The information below is provided in order for you to see what is going on in Northeast Ohio. You will notice that some things have been highlighted to draw your attention to these items.

Key, (PN)=In Public Notice. (NPN)=Not in Public Notice. Yellow= Application for new permit received
Green=Pending draft action, pay close attention. RED=Final permit no chance for public comment.

Factory Farms NOTHING LISTED

Public meetings for Jan. 2009

January 2009		
Noble Road Landfill, Inc. Proposed vertical expansion Solid Waste Permit-to-Install Richland County News Release	Tuesday January 13, 2009 6:30 p.m.	Butler Township Hall 8256 Olivesburg Fitchville Rd. Greenwich, Ohio
Great Plains Exploration Draft air permit Painesville Township Proposed asphalt and concrete crushing plant News Release	Thursday January 15, 2009 6:30 p.m.	Morley Library Meeting Room A 184 Phelps Street Painesville, Ohio
MIBA Sinter US, LLC Proposed wastewater discharge permits McConnelsville Discharge to the Muskingum River News Release	Wednesday January 21, 2009 6:30 p.m.	Morgan County Library 358 East Main Street McConnelsville, Ohio

PRESS RELEASES:

***** THIS HAS STILL NOT SHOWED UP OF OEPA WEB PAGE BUT I RECEIVED THE FOLLOWING IN AN E-MAIL FROM OEPA. THIS IS FOR THE MAHONING RENEWABLE POWER PLANT. (BURNING TRASH AND C&DD)

When: Tuesday, February 17, 2009, 6:30 p.m.
Where: McKinley High School, 225 East Indiana Avenue,
Sebring, OH 44672 (Mahoning County)

Note that a recent public notice in the Alliance Review had a hearing for the air permit scheduled for 01-28-09. Due to a glitch with public notices in the Youngstown Vindicator around the holidays, this has now been rescheduled to February 17. The DAPC engineer in our district office is Tim Fischer. I believe that the public comment period for this air permit is currently underway.

Note that Ohio EPA's Division of Solid and Infectious Waste Management (DSIWM) has not received a solid waste permit application for this proposed waste-to-energy facility, but one is expected soon.

**** **NOT LISTED UNDER MEETING ON OEPA WEB PAGE.** Public Hearing -Mahoning Renewable (trash and C&DD burning power plant) near Alliance, OH, Jan. 28, 2009, 6:30 PM, McKinley High School, 225 East Indiana Ave. Sebring, OH 44672. THIS PERMIT IS SO BAD IT DOESN'T EVEN TELL US THE SIZE OF THE FACILITY. OEPA ISSUED THE DRAFT PERMIT WHILE STILL REVIEWING THE AIR TOXIC MODELING AND RISK ASSESSMENT. MAHONING COUNTY IS ATTAINMENT FOR ALL POLLUTANTS. THIS IS LIKELY TO CHANGE IN JANUARY SO THE COMPANY HAS REQUESTED THE PERMIT BE ISSUED BEFORE THE COUNTY IS PLACED IN NON-ATTAINMENT.

Cuyahoga County:

OHIO EPA ISSUES TWO FINAL HAZARDOUS WASTE PERMIT MODIFICATIONS

On December 31, 2008, Ohio EPA issued three (3) final class 2 modifications to the Hazardous Waste Facility Installation and Operation Permit (Permit) for Hukill Chemical Corporation (Hukill) for its facility at 7013 Krick Road, Bedford, Ohio. The EPA Identification Number for this facility is OHD001926740.

Why is Hukill modifying its Permit?

Hukill is permitted to store hazardous waste in containers and tanks. Hukill wishes to: 1) increase the facility's container storage capacity from 55,000 gallons to 68,695 gallons; 2) add a tank (T-13, 13,000 gallons) for storage of hazardous waste that increases the tank storage capacity from 164,850 gallons to 179,850 gallons; and, 3) increase treatment capacity by the addition of treatment to three tanks permitted to store hazardous waste. These final permit modifications will allow Hukill to make the requested changes. To issue these final modifications, Ohio EPA determined that the modification application is complete and meets appropriate standards.
